

# Journey into a better future with Making Mondays Better

## Why choose the MMB package?

It's tailored uniquely to you and guarantees a minimum amount of time each month and unlike many other coaches at incredibly competitive rates

## How does it work?

You get real one on one time with an experienced Consultant when it's best for you, and can access to them at other key times ad hoc as you need them. Simple.

## What's included?

The time you need to explore your potential new future and develop a plan to get there - there are no extras, you simply get the time you need to make a difference

## Special way to pay

You pay in monthly installments; no big bills, no surprises and 30 days to pay. Start work right now, pay later.

## Satisfaction Guaranteed

As with every Hutton&co product, you get your money back if you're not happy with our work

## Features:

- Each month – 2 hours to use as best suits you: combine either face to face time, ad hoc (skype, phone, email) for applications/CV adjustments or use it for further direct coaching (face to face, via Skype, phone etc) . Mix it up any way you like.
- **Plus** as many meeting/interview preparation sessions (specific) as required .
- 15% discount on any additional or future purchases - including for other family members
- Costs just £95 per month, charged in monthly installments (3 month minimum contract, monthly rolling contract after if required).
